*Villa Aura Del Lago*  
26th May 2024

# HELLO GUESTS

*We are very conscious that getting married abroad is a big commitment, both timely and financially. Flights for around our wedding are not yet available, however we have been working hard behind the scenes to find discounts on some accommodation for you and put together some recommended hotels to help with your trip.*

*Some are not available to book yet but most are, especially the ones offering discounts, so please do start booking as Lake Como accommodation is notorious for getting booked up very quickly!*

*You will find a number of options available in this document, but please note there are also plenty of other options you can explore in Bellagio. This list is by no means exhaustive!*

*Laura & Michael*

WELCOME

# BELLAGIO, LAKE COMO

*We strongly recommend booking accommodation in and around **Bellagio** for the day of our wedding on 26th May 2024.*

*There are many other beautiful areas around Lake Como such as Varenna, Mennagio and Como but for ease on the day and to utilise the transport we are arranging for our guests, **Bellagio** is the area we recommend staying in.*

***Bellagio** also has great transport options to other areas of the lake should you wish to explore on the days either side of the wedding.*

# AGRITURISMO IL COLLE

*This gorgeous accommodation, comprising of a combination of 8 rooms, apartments and suites, has a very special place in our hearts! It is where we were staying when Michael proposed and we'd just found out I was expecting with Ellis.*

*Agritourism is surrounded by private park composed of olive groves and a cultivation of small fruits, vegetable garden and aromatic herbs which you are lucky enough to have included in your intercontinental breakfast.*

*You can also book a wine tasting here, should you wish!*
